

GIVE HIM GLORY

What do you give a God who has everything?

What do you give a God who owns the world?

What do you say to the One who knows your thoughts before you think them

Give Him glory (4 x's)

CHORUS:

Lord, I give You my gifts

I give You my goods

I give You the credit for all that is good

For You are the only one who is worthy

I give You glory

I give You the glory
